v.

Case No. 09-cr-45-01-PB

Scott Rogers

ORDER

Re: Document No. 25, Motion to Request Assistance obtaining supplies

Ruling: I have determined that the defendant does not need access to Black's Law Dictionary to prepare his defense, nor does he require a memory stick. The facility where he is housed shall provide him with access to a copy machine to make copies of cases and legal materials that are related to his defense at no cost. In all other respects, the defendant's motion is denied.
